

Corsham Town Football Club

PLAYER/COACH SPONSORSHIP

Corsham Town Football Club play in the Toolstation Western League and would like to offer you the opportunity to sponsor a player or coach for the 2017 - 2018 season. Whether you are an individual or a company, this opportunity is not to be missed.

Here are the benefits of becoming a player sponsor:

- Your name featured in our match day programme as the player sponsor alongside their photograph.
- Your name featured on the player profiles page of the website
- 1 x Season Ticket (*worth £100*)
- Your name mentioned across all social platforms

If you are a company then this could be excellent exposure for you and we will ensure that your company gets mentioned throughout the season. In the event of your sponsored player leaving the football club then we will look to use a replacement for the remainder of the season.

If you are an individual then why not get a few friends together to form a consortium. This way you can share the sponsorship package or even give this to a family member as a present!

First come first choice as you get to choose which player to sponsor!

ONLY £100
